

Vintage Brass 2 - Gang Wall Plate, Two USB Openings, UL Listed, 120V/15A

- 2-gang configuration with two USB openings
- Brass construction with vintage brass finish
- Rated for 120V, 15A circuits
- IP20 environmental rating for indoor use
- UL listed for verified safety compliance
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-VB-2-U-U is a 2-gang wall plate finished in vintage brass, configured with two USB openings for residential supply applications requiring a classic aesthetic. It fits standard 2-gang electrical boxes and suits retrofit or new construction projects calling for a traditional brass finish.

The plate is rated for 120V and 15A circuits, constructed of brass, and carries an IP20 environmental rating for indoor, non-waterproof use.

The device is UL listed and backed by a 1-year warranty.
