

3-Gang Wall Plate with Decorator, Switch and USB Openings, Vintage Brass, 120V 15A

- 3-gang configuration with decorator, switch and USB openings
- Vintage brass finish for period-appropriate installations
- Brass construction throughout
- Rated for 120V / 15A service
- IP20 rated for standard indoor dry-location use
- UL listed assembly with 1-year warranty

OVERVIEW

The C-VTG-VB-3-D-S-U is a 3-gang wall plate finished in vintage brass, configured with a decorator opening, a switch opening and a USB opening for build-your-own residence supply installations. It suits renovation and custom build projects where a period-appropriate finish is specified alongside modern device functionality.

The plate is rated for 120V / 15A service and carries an IP20 rating, indicating suitability for standard indoor dry-location use. Construction is brass, and the assembly is UL listed.

The product carries a 1-year warranty.
