

Vintage Brass 3-Gang Wall Plate, 120V/15A, UL Listed, Brass Construction

- Three-gang wall plate with three decorator-style openings
- Vintage brass finish over solid brass construction
- Rated 120 V at up to 15 A for standard branch circuits
- IP20 rated, Non-Waterproof, for dry indoor use only
- UL listed with a 1-year manufacturer warranty

OVERVIEW

The C-VTG-VB-3-G-G-G is a vintage brass 3-gang decorator wall plate for residential supply applications. Finished in vintage brass, it is intended for standard multi-device wall installations where a traditional aesthetic is specified, with three decorator-style openings configured across the gang.

Constructed from brass, this wall plate carries an IP20 rating, indicating suitability for dry indoor environments only, and is rated Non-Waterproof. It supports 120 V service at up to 15 A, consistent with standard residential branch circuit requirements.

The device is UL listed and carries a 1-year warranty.
