

Vintage Brass 3-Gang Wall Plate with Three Toggle Switches, 120V/15A, UL Listed

- Three-gang configuration with three toggle switch openings
- Solid brass construction in vintage brass finish
- Rated 120V at 15A maximum current draw
- IP20 rated for standard indoor, non-waterproof installation
- UL listed
- Backed by 1-year warranty

OVERVIEW

The C-VTG-VB-3-S-S-S is a vintage brass 3-gang wall plate configured with three toggle switch openings, built for residential supply applications. The brass finish suits period-style and upscale interior installations where fixture aesthetics matter alongside functional durability.

The assembly is rated for 120V operation at 15A current draw, with an IP20 environmental rating for standard indoor, non-waterproof use. Construction is solid brass, providing a durable mounting surface for the three switch positions.

The device is UL listed and carries a 1-year warranty.
