

Vintage Brass 3-Gang Toggle Switch Wall Plate, 120V, 15A, UL Listed

- Three-gang configuration with three toggle switch openings
- Vintage brass finish over solid brass construction
- Rated for 120V service at up to 15A
- IP20 rated for dry indoor use, non-waterproof
- UL listed for code compliance
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-VB-3-T-T-T is a three-gang wall plate finished in vintage brass, configured for three toggle switch openings. It is intended for residential supply installations where a coordinated multi-gang cover with a classic metal finish is required.

The plate is rated for 120V service at up to 15A and carries an IP20 rating, indicating suitability for dry indoor environments. Brass construction provides a traditional finish appropriate for period-style or upscale residential interiors.

The device is UL listed and backed by a 1-year warranty.
