

Vintage Brass 3-Gang Wiring Device Plate, One Toggle and Two USB Openings, 120V/15A

- 3-gang configuration with one toggle opening and two USB openings
 - Vintage brass finish over solid brass construction
 - Rated for 120V, 15A electrical service
- IP20 environmental rating for Non-Waterproof indoor use
 - UL listed for compliance verification
 - Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-VB-3-T-U-U is a 3-gang wiring device plate finished in vintage brass, configured with one toggle switch opening and two USB openings for build-your-own residence supply installations. The brass construction provides a traditional appearance for residential wiring device assemblies.

The device is rated for 120V, 15A service and carries a Non-Waterproof, IP20 environmental rating for standard indoor use. It is UL listed and backed by a 1-year warranty.
