

Vintage Brass 4-Gang Wall Plate, Toggle Switch Openings, 120V/15A, UL Listed

- Vintage brass finish over solid brass construction
 - Four-gang configuration with toggle switch openings
 - Rated 120 V / 15 A for standard residential circuits
- IP20 rated, non-waterproof, for dry indoor use only
 - UL listed for electrical safety compliance
 - Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-VB-4-G-T-T-T is a vintage brass 4-gang wall plate configured with toggle switch openings, intended for residential supply installations where a period-appropriate brass finish is specified. It accommodates multiple toggle-switch positions within a single gang plate for standard residential wiring layouts.

The plate is rated for 120 V / 15 A service and carries an IP20 rating, indicating suitability for dry indoor environments only. Constructed of brass with a vintage brass finish, the plate provides a traditional decorative appearance while meeting standard residential electrical requirements.

The plate is UL listed and carries a 1-year warranty.
