- Five decorator (Decora - style) device openings in one plate
- Brass construction with a vintage brass finish
- Rated 120V at 15A for standard residential circuits
- IP20 rated for non - waterproof, indoor installations
- UL listed for compliance verification
- Backed by a 1 - year warranty

OVERVIEW

The C-VTG-VB-5-D-D-D-D-D is a five-gang decorator wall plate finished in vintage brass, built for residential supply installations where a classic aesthetic is required. It provides five decorator (Decora - style) device openings in a single plate, suited for multi-switch or multi-receptacle groupings in residential and light commercial settings.

Constructed from brass with a vintage brass finish, the plate carries an IP20 rating for non - waterproof, indoor use and is rated for 120V/15A circuits. It is UL listed and backed by a 1 - year warranty.
