

Vintage Brass 5 - Gang Wall Plate, 3 Duplex Receptacles and 2 Toggle Switches, 15A 120V

- Five-gang configuration with three duplex receptacle openings and two toggle switch openings
- Vintage brass finish over solid brass construction
- Rated 15 A at 120 V for standard residential circuits
- IP20 rated for non-waterproof, indoor installation
- UL listed
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-VB-5-G-G-G-T-T is a 5-gang combination wall plate finished in vintage brass, configured with three duplex receptacle openings and two toggle switch openings. It suits residential supply applications where a traditional aesthetic is paired with multi-device wiring on a single plate.

The plate is constructed of brass and rated for 15 A at 120 V, with an IP20 rating for non-waterproof, indoor use. It is UL listed and carries a 1-year warranty.
