

# 5 - Gang Wall Plate, Two Duplex Receptacle and Two Switch Openings Plus USB, 120V 15A, Vintage Brass

- Five-gang configuration with two duplex, two switch and one USB opening
  - Rated 120V, 15A for standard residential branch circuits
- Brass construction with vintage brass finish
  - IP20 rated for dry, non-waterproof indoor installations
  - UL listed assembly with 1-year warranty

OVERVIEW

The 5-gang wall plate combines two duplex receptacle openings, two switch openings and one USB opening in a single vintage brass assembly. It is intended for residential supply applications where multiple device types are consolidated into one interior wall opening.

Constructed from brass, the plate is rated for 120V, 15A branch circuits and carries an IP20 rating for dry, non-waterproof indoor use. The vintage brass finish provides a period-appropriate appearance suited to upscale residential or hospitality interiors.

The assembly is UL listed and carries a 1-year warranty.
