

5 - Gang Toggle Switch Wall Plate, Vintage Brass Finish, 120V/15A, UL Listed

- Five-gang configuration with four toggle switch openings
 - Vintage brass finish for period-style installations
 - Brass construction for durable wall plate hardware
- Rated 120 V / 15 A for standard residential circuits
 - IP20 rating suited to dry indoor environments
 - UL listed with 1-year warranty

OVERVIEW

The C-VTG-VB-5-G-T-T-T-T is a five-gang wall plate in vintage brass finish, configured with four toggle switch openings. It is intended for residential electrical supply applications, providing a period-appropriate appearance for retrofit or new construction projects specifying traditional brass hardware.

Constructed from brass, this cover plate is rated for 120 V / 15 A circuits and carries an IP20 rating, indicating suitability for dry indoor environments only.

The plate is UL listed and backed by a 1-year warranty.
