

5 - Gang Vintage Brass Toggle Switch Wall Plate, 120V/15A, UL Listed

- Five-gang configuration with five toggle-style switch openings
 - Vintage brass finish over solid brass construction
 - Rated 120 V / 15 A for standard residential circuits
- IP20 rated, classified non-waterproof for indoor dry locations
 - UL listed
 - 1-year manufacturer warranty

OVERVIEW

This 5-gang wall plate in vintage brass finish is built for grouped toggle switch installations in residential and light commercial settings. All five openings share a single, uniform toggle-style configuration for a consistent appearance across multi-device runs. Constructed from brass and rated for 120 V / 15 A circuits, the plate carries an IP20 rating and is classified non-waterproof, suited to standard indoor dry locations. The product is UL listed and backed by a 1-year warranty.
