

Vintage Brass 5 - Gang Toggle Switch Wall Plate, 120V, 15A, UL Listed

- Five-gang plate with five toggle switch openings
- Vintage brass finish over solid brass construction
- Rated 120V at 15A per device
- IP20 environmental rating for non-waterproof indoor use
- UL listed for compliance verification
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-VB-5-S-S-S-S-T is a five-gang combination wall plate finished in vintage brass, built for residential supply applications requiring a coordinated traditional look. The configuration provides five toggle switch openings within a single-gang-width plate, suitable for consolidating multiple switch controls into one location.

The assembly is rated for 120V operation at 15A per device, with brass construction and an IP20 environmental rating for non-waterproof indoor use.

The product is UL listed and carries a 1-year warranty.
