

White Brass 1 - Gang Wiring Device Plate, 120V 15A, UL Listed

- Single-gang configuration for build-your-own device assembly
- Brass construction with white brass finish
- Rated 120V at 15A for residential circuits
- IP20 rating for dry indoor, non-waterproof use
- UL listed
- 1-year manufacturer warranty

OVERVIEW

The C-VTG-WB-1-U is a single-gang wiring device plate finished in white brass, built for build-your-own residential supply and rough-in configurations. It suits contractors and electricians assembling custom device layouts in single-gang boxes.

Constructed of brass with a white brass finish, the device is rated 120V at 15A and carries an IP20 rating for dry indoor, non-waterproof environments.

The device is UL listed and backed by a 1-year warranty.
