- Two-gang decorator-style configuration for dual device openings
- Brass construction with white finish
- Rated for 120V, 15A residential circuits
- IP20 rated for dry indoor environments
- UL listed for compliance verification
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-WB-2-D-G is a white brass 2-gang decorator-style wall plate for residential wiring applications. It accommodates two decorator (Decora-style) devices in a single mounting location, providing a finished appearance at switch and outlet points.

The plate is constructed from brass with a white finish and is rated for 120V/15A service. An IP20 rating indicates suitability for dry indoor environments, offering protection against solid objects but not moisture.

The plate is UL listed and carries a 1-year warranty.
