

White Brass 2 - Gang Straight - Tab Wall Plate, Brass, 120V 15A, UL Listed

- 2-gang straight-tab configuration for standard wall boxes
- White brass finish over solid brass construction
- Rated 120 V at 15 A for residential circuits
- IP20 rated, Non - Waterproof environmental rating for dry locations
- UL listed
- 1-year manufacturer warranty

OVERVIEW

The C-VTG-WB-2-S-T is a white brass 2-gang straight-tab wiring device wall plate intended for residential and light commercial supply applications. The straight-tab configuration supports conventional installation in standard 2-gang wall boxes.

The device is rated for 120 V at 15 A and carries an IP20 rating with a Non - Waterproof environmental rating, suitable for dry indoor environments. Brass construction with a white brass finish provides mechanical durability for repeated wiring device use.

The device is UL listed and backed by a 1-year warranty.
