

White Brass 2 - Gang Tamper - Resistant Duplex Outlet, 15 A 120 V, Brass

- Two - gang tamper - resistant duplex outlet configuration
- Rated 15 A at 120 V for standard residential circuits
- Solid brass construction with white brass finish
- IP20 enclosure rating for non - waterproof indoor use
- UL listed for compliance verification
- Backed by a 1 - year warranty

OVERVIEW

The C-VTG-WB-2-T-T is a white brass 2 - gang tamper - resistant duplex outlet configured for residence supply applications. Each gang provides a tamper - resistant outlet opening, reducing the risk of contact with live terminals in occupied spaces.

Rated 15 A at 120 V with an IP20 enclosure rating, the device is intended for standard indoor residential wiring and is not suited for wet or waterproof locations. Construction is solid brass with a white brass finish, providing durable, long - term mechanical performance.

The device is UL listed and carries a 1 - year warranty.
