

3-Gang Decorator Wall Plate, White Brass Finish, 120V 15A, UL Listed

- Three decorator openings for Decora-style switches or receptacles
- White brass finish for coordinated residential trim
- Constructed of solid brass material
- Rated for 120 V, 15 A circuit applications
- IP20 environmental rating for indoor, non-waterproof use
- UL listed for compliance verification

OVERVIEW

The C-VTG-WB-3-D-D-D is a 3-gang wall plate finished in white brass, configured with three decorator openings for standard Decora-style devices. It is intended for residential and light commercial wiring installations requiring a coordinated brass finish across multiple devices.

The plate is constructed of brass and rated for 120 V, 15 A circuits, with a non-waterproof IP20 environmental rating suited to indoor, dry-location use.

The device is UL listed and carries a 1-year warranty.
