

3-Gang Wall Plate with Decorator, Switch and Toggle Openings, White Brass, 120V 15A

- Brass construction with a white finish
- 3-gang layout with decorator, switch, and toggle openings
- Rated for 120V, 15A electrical service
- IP20 rated for dry indoor environments
- UL listed
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-WB-3-D-S-T is a 3-gang wall plate combining one decorator opening, one switch opening, and one toggle opening in a single cover. It is designed to finish multi-device outlet boxes in commercial and residential electrical installations where mixed device types share a common gang box.

The plate is constructed from brass with a white finish and is rated for 120V, 15A service. It carries an IP20 rating and a non-waterproof environmental rating, making it suitable for dry indoor environments.

The product is UL listed and backed by a 1-year warranty.
