

White Brass 3-Gang Wall Plate, Decorator, Toggle and USB, 120V/15A

- Combines decorator, toggle and USB openings in one 3-gang plate
- Finished in white brass over a solid brass construction
- Rated 120 V / 15 A for standard residential circuits
- IP20 rated for non-waterproof interior use
- UL listed for compliance verification
- Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-WB-3-D-T-U is a 3-gang wall plate finished in white brass, built for residential wiring applications combining decorator, toggle and USB openings on a single gang plate. It is suited to consolidated switch, outlet and charging installations in new construction or renovation projects.

The plate is rated for 120 V / 15 A circuits and carries an IP20 rating, appropriate for standard interior dry-location use. It is constructed of brass and carries a non-waterproof environmental rating.

The device is UL listed and backed by a 1-year warranty.
