

3-Gang Vintage Wiring Device Plate, Toggle Switch and Two USB Openings, White Brass Finish, 120V/15A

- Brass construction with a white brass decorative finish
- Configured with one toggle switch and two USB openings across 3 gangs
- Rated for 120V operation at 15A
- IP20 rated for non-waterproof, indoor installation
- UL listed for compliance verification
- Backed by a 1-year manufacturer warranty

OVERVIEW

The C-VTG-WB-3-S-U-U is a 3-gang wiring device plate configured with one toggle switch opening and two USB openings, finished in white brass over a brass base. It is built for residential multi-gang electrical boxes where a decorative vintage-style plate is paired with functional switch and USB device positions.

The assembly carries a 120V, 15A rating and an IP20 environmental classification, indicating suitability for standard indoor, non-waterproof locations. The device is UL listed and backed by a 1-year warranty.
