

3-Gang Toggle Switch Wall Plate, White Brass Finish, 120V 15A, UL Listed

- Three toggle switch openings in a single 3-gang plate
- Brass construction with white brass finish
- Rated 120V at up to 15A
- IP20 rating for non-waterproof indoor use
- UL listed
- 1-year warranty

OVERVIEW

The C-VTG-WB-3-T-T-T is a three-gang wall plate configured with three toggle switch openings, built for residential and light commercial electrical installations. It is part of a configurable wall plate system, allowing contractors and electricians to specify gang count and device configuration to match the application.

Constructed from brass with a white brass finish, the plate is rated for 120V service at up to 15A and carries an IP20 rating for non-waterproof, standard indoor dry-location use.

The device is UL listed and backed by a 1-year warranty.
