

4-Gang Wall Plate, Duplex, Two Switches, USB, White Brass, 120V/15A

- Configured with duplex, two switch, and USB openings in one 4-gang plate
- Finished in white brass over brass construction
- Rated for 120 V operation at 15 A current draw
- IP20 rated for non-waterproof indoor installations
- UL listed
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-WB-4-D-S-S-U is a 4-gang wall plate configured with one duplex receptacle opening, two switch openings, and one USB outlet opening. Finished in white brass, it is designed for residential and light commercial wiring applications requiring multiple device functions in a single gang location.

The assembly is rated for 120 V operation at 15 A and carries an IP20 environmental rating, indicating suitability for standard indoor, non-waterproof installations. It is constructed of brass.

The product is UL listed and carries a 1-year warranty.
