

4 - Gang Wall Plate, Duplex/Single/Two Ungrounded Openings, White Brass, 120V 15A

- 4-gang configuration with duplex, single and two ungrounded openings
- Brass construction with white brass finish
- Rated for 120 V circuits at 15 A
- IP20 rating for standard indoor dry-location use
- UL listed for compliance verification
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-WB-4-D-S-U-U is a 4-gang wall plate finished in white brass, configured with one duplex opening, one single opening and two ungrounded receptacle openings. It is intended for residential wiring installations where a multi-gang plate is required to accommodate mixed device configurations in a single enclosure.

Constructed from brass with a white finish, this plate is rated for 120 V circuits at 15 A and carries an IP20 rating, suitable for standard indoor dry-location installations.

The plate is UL listed and backed by a 1-year warranty.
