- Constructed of brass with a white brass finish
- Rated for 120 V service at 15 A
- IP20 environmental rating for dry indoor use
- UL listed
- Backed by a 1-year warranty

OVERVIEW

The C-VTG-WB-4-D-T-U-U is a white brass 4-gang combination wall plate configured with one duplex receptacle opening, one toggle switch opening, and two USB openings. It is designed for commercial and residential electrical installations where multiple device types must be accommodated within a single gang box footprint.

The plate is rated for 120 V service at 15 A and constructed of brass with a white brass finish. It carries an IP20 environmental rating and is classified non-waterproof, suited for dry indoor locations.

The plate is UL listed and carries a 1-year warranty.
