

White Brass 4-Gang Decorator Wall Plate, 120V/15A, UL Listed

- Four decorator-style openings for Decora-compatible devices
- Brass construction with white brass finish
- Rated 120V at 15A for standard residential circuits
- IP20 rated, non-waterproof for interior dry locations
- UL listed
- 1-year warranty

OVERVIEW

The C-VTG-WB-4-G-G-G-G is a white brass 4-gang decorator wall plate for residential and light commercial wiring installations. Configured with four decorator-style openings, it accommodates standard decorator (Decora-style) devices in a single ganged assembly, providing a uniform finish across multi-device switch or outlet locations.

The plate is rated for 120V, 15A circuits and is constructed of brass with a white brass finish. It carries an IP20 environmental rating and is classified as non-waterproof, suitable for dry interior locations only.

The device is UL listed and backed by a 1-year warranty.
