

# White Brass 5 - Gang Wall Plate, Five Decorator Openings, 120V/15A, UL Listed

- Five decorator-style openings in a single 5-gang plate
- Constructed from brass with a white finish
- Rated for 120V, 15A electrical service
- IP20 rated, non-waterproof design for interior use
- UL listed for commercial and residential applications
- Backed by a 1-year warranty

## OVERVIEW

The White Brass 5-Gang Wall Plate is a multi-opening cover plate configured with five decorator-style device openings in a single gang assembly, intended for commercial and residential electrical installations requiring multiple switch or receptacle positions in one location.

Constructed from brass with a white finish, the plate is rated for 120V/15A service and carries an IP20 environmental rating, indicating a non-waterproof design suited to standard interior wall box installations.

The plate is UL listed and backed by a 1-year warranty.
