

# 5 - Gang Wall Plate, White Brass Finish, Three Decorator and Two Single Openings, 120V 15A

- Five-gang plate with three decorator openings and two single openings
  - White Brass finish over brass construction
  - Rated 120V at 15A for standard wiring device circuits
- IP20 rated, Non-Waterproof environmental rating for interior use
  - UL Listed for compliance verification
  - Backed by a 1-year warranty

OVERVIEW

The White Brass 5-Gang Combination Wall Plate is configured with three decorator openings and two single-device openings, suited for commercial and residential installations requiring multiple device configurations at a single gang location. Constructed of brass with a White Brass finish, the plate is rated for 120V, 15A service and carries an IP20, Non-Waterproof environmental rating for standard interior use. The device is UL Listed and backed by a 1-year warranty.
