

White Brass 5 - Gang Wall Plate, 120V/15A, UL Listed

- Five-gang wall plate with five receptacle openings
 - Brass construction with white brass finish
 - Rated for 120V at 15A
- IP20 rated for non-waterproof, indoor applications
 - UL listed
 - 1-year warranty

OVERVIEW

The C-VTG-WB-5-G-G-G-G-G is a white brass 5-gang wall plate configured with five receptacle openings, suited for residential and light commercial wiring installations where multiple outlets are required at a single location. The brass construction and white brass finish provide a durable, clean surface for standard electrical box applications.

Rated for 120V/15A service, the plate carries an IP20 environmental rating for non-waterproof, indoor use. It is UL listed and backed by a 1-year warranty.
