

Connector Cable, 20 AWG Wire, 20 cm Length, 6 - Piece Bag

- 20 AWG wire gauge for control box wiring
- 20 cm cable length per connector
- Packaged 6 pieces per bag
- Connector terminates the cable for control box interface

OVERVIEW

The CA-AWG-20 is a connector cable with attached wire, sized at 20 AWG and 20 cm in length, intended for use with control boxes in LED lighting installations. It provides a wiring connection point for linking control components within commercial and industrial lighting systems.

Each bag contains 6 pieces, supporting bulk installation or maintenance stock for multiple control box connections.

SPECIFICATIONS

ELECTRICAL

Wire Gauge	20 AWG
