

Dimmer Switch, Black and Gold Finish, Vintage Decorator Style

- Black and gold decorative finish for vintage hardware aesthetic
- Functions as a dimmer control rather than a light source
- Suited to decorative switch plate installations

OVERVIEW

The D-BG is a dimmer switch finished in black and gold, designed for lighting control applications where a decorative hardware aesthetic is paired with functional dimming performance. It fits vintage-style electrical hardware installations where switch appearance matters as much as operation.

SPECIFICATIONS

MECHANICAL

Finish Black and Gold

APPLICATIONS

- Residential lighting control
- Vintage-style interior renovations
- Decorative switch plate upgrades
- Hospitality and boutique retail fit-outs
