

LED Driver Metal Enclosure for A-GL Series Ceiling Light, 18W

- Rated output of 18W for A-GL Series ceiling fixtures
- Metal box enclosure construction for physical protection
- Supports LED lifetime rating of 50,000 hours
- Backed by a 1-year warranty

OVERVIEW

The D-D18M-0.3-2 is an 18W LED driver housed in a metal enclosure, designed for use with the A-GL Series ceiling light fixtures. It is intended for commercial and industrial lighting installations where a dedicated, compatible driver is required for proper fixture operation.

This driver is rated at 18W and is supplied in a metal box construction, providing a degree of physical protection suitable for ceiling-mounted applications. The associated LED system is rated for a lifetime of 50,000 hours.

The product carries a 1-year warranty.
