

Die Set for Manual Grommet Punch, Size #3, 1-Year Warranty

- Size #3 die set compatible with most standard manual grommet punches
 - Backed by a 1-year manufacturer warranty
- Rated for a 50,000-hour service life
 - Compact, portable form factor for shop or field use
 - Ergonomic design supports precise, repeatable results

OVERVIEW

The EQ-PUNCH-M3 is a size #3 die set designed for use with manual grommet punches, supporting hole punching and grommet insertion across a range of trade applications including signage production, leatherworking, and fabric cutting.

The die set is constructed for durability and is compatible with most standard manual grommet punches. Its compact form factor makes it suitable for both shop and field use, and the ergonomic design is intended to support precise, repeatable results across professional workflows.

The die set is backed by a 1-year manufacturer warranty and is rated for a 50,000-hour service life.
