

80W LED High-Power Ceiling Light with UL-Listed Power Supply, 6500K, 120-240V

- Delivers 80W of LED output for high-power interior illumination
- 6500K color temperature for cool daylight appearance
- UL-listed power supply compatible with 120-240V input
- Rated for a 50,000-hour LED lifetime
- Backed by a 1-year manufacturer warranty

OVERVIEW

The F-80W-BK-T is an 80W LED ceiling light designed for high-output general illumination in commercial and residential interior spaces. Its 6500K color temperature delivers a cool daylight appearance suitable for work environments, retail areas, and utility spaces.

The fixture operates at 80 watts on a 120-240V input and includes a UL-listed power supply rated for a 50,000-hour LED lifetime, providing compatibility with standard electrical systems and long-term operation.

The unit is backed by a 1-year manufacturer warranty.
