

10W Rechargeable LED Flood Light,
400lm, SOS Police Strobe, Dual Charger

- Delivers 400 lumens of static white light at 10W
- SOS police strobe mode for emergency signaling
- 24 hour discharge on SOS, 12 hr at 50% brightness, 6 hr at 100%
- LED lifetime rated at 50,000 hours
- Compact 150 × 92 × 25mm housing for portable use
- Includes car charger and wall charger for dual charging options

OVERVIEW

The F-BS10W-D is a rechargeable LED flood light designed for portable task lighting, emergency response, and jobsite applications where a reliable, self-contained light source is required. Its compact 150 × 92 × 25mm form factor makes it suitable for use in areas without readily available AC power.

The unit operates at 10W and delivers 400 lumens of static white light. It includes an SOS police strobe mode for emergency signaling, with a 24 hour discharge time on SOS, 12 hours at 50% brightness, and 6 hours at full 100% brightness. It runs on a 5V operating voltage and uses LEDs rated for 50,000 hours of service life.

The flood light ships with both a car charger and a wall charger, supporting flexible recharging in the field or at a facility, and is backed by a 1 year warranty.

SPECIFICATIONS

OPTICAL

Luminous Flux	400 lm
LED Lifetime	50,000 h

ELECTRICAL

Operating Voltage	5 V
Wattage	10 W

MECHANICAL

Product Dimensions	150 × 92 × 25 mm
