

## Trunnion Bracket Mount for 150W LED Area Light

### OVERVIEW

The F-S150W-TR is a trunnion bracket mount designed for use with the F-S150W-3CCT-UL 150W LED area light. It provides a secure pole or surface mounting solution for installations requiring an adjustable arm-style bracket configuration.

Constructed from SGCC galvanized sheet steel at 2.5mm thickness, the bracket measures 136 x 65 x 55mm. The exterior finish is an outdoor-rated powder coat (RAL8019) applied at 80–150 microns, rated for temperatures from -40°C to 120°C and tested for salt spray resistance, making it suitable for exposed exterior environments.
