

U-Bracket Mount for 150W Flood Light, Galvanized Steel, Outdoor Rated

OVERVIEW

The F-S150W-UB is a U-bracket mounting accessory designed for use with the F-S150W-3CCT-UL 150W flood light. It provides a secure, adjustable mounting solution for positioning the fixture on poles, walls, or structural supports in commercial and industrial outdoor applications.

Constructed from galvanized sheet steel (SGCC) with overall dimensions of 295 x 130 x 28 mm and a material thickness of 2.5 mm, the bracket is finished with an outdoor-rated powder coat (RAL9017) applied at 80–150 µm thickness. The coating is rated for temperature resistance from -40°C to 120°C and has undergone salt spray testing, making it suitable for demanding exterior environments.

SPECIFICATIONS

Dimensions	295 x 130 x 28 mm mm	Operating temp	-40 to 120 °C
