

Trunnion Bracket Mount for T Series 50W LED Flood Light

- Compatible with F-T50W-B T Series 50W LED flood light
- Trunnion-style bracket allows adjustable aiming angle
- Supports fixture rated for 50000 h LED lifetime
- Backed by 1 year warranty

OVERVIEW

The F-T50W-TR is a trunnion bracket mount designed for use with the F-T50W-B T Series 50W LED flood light. It provides an alternative mounting configuration for installations where a standard fixed mount is not suitable, allowing the fixture to be repositioned or angled as required by the application.
