

Round LED Strip Channel, American Coastal Collection, 0.75 in. Wide, 7 ft. Length

- Round profile channel design for a smooth finished look
- 0.75 in. width accommodates standard LED strip lighting
- 7 ft. length per channel section
- Part of the American Coastal Collection product line

OVERVIEW

The FL-ACW-Q-Round is a round LED strip channel from the American Coastal Collection, measuring 0.75 in. in width and 7 ft. in length. It is designed to house and protect LED strip lighting in commercial and residential installations where a clean, finished appearance is required.

The rounded profile provides a smooth, contoured look suited to applications where strip lighting is visible as part of the finished design.
