

American Coastal Collection Reducer Molding, 2 in. Width, 7 ft. Length

- 2 in. width for standard threshold transitions
- 7 ft. length suited to typical doorway spans
- Reducer profile bridges flooring surfaces of differing heights
- Part of the American Coastal Collection molding line

OVERVIEW

The American Coastal Collection Reducer is a transition molding strip measuring 2 in. wide and 7 ft. long, designed to provide a clean, finished edge between flooring surfaces of differing heights or materials.

It is suited for commercial and residential threshold applications where a consistent aesthetic and precise fit are required.
