

American Coastal Collection T - Molding, 2 in. Wide x 7 ft. Length

- 2 in. wide profile for standard transition applications
- 7 ft. length per piece
- Designed for flooring surfaces of equal height
- Provides a finished, consistent seam at transitions

OVERVIEW

The American Coastal Collection T-Molding is a 2 in. wide, 7 ft. length transition strip designed to provide a finished edge between flooring surfaces of equal height. It is commonly used at doorways, room transitions, and other floor-to-floor junctions where a clean, consistent seam is required.
