

Canyon Ranch Palomino European Oak WPC Flooring, Non - Waterproof, IP20 Rated

- Constructed from Wood Polymer Composite (WPC) material
- Palomino finish replicates a European Oak appearance
- Plank dimensions of 0.521 ft width by 6.33 ft length
- Box weight of 38.86 lb for load and shipping calculations
- IP20 ingress protection rating
- Classified as non - waterproof for dry interior use

OVERVIEW

The Canyon Ranch Palomino is a Wood Polymer Composite (WPC) flooring product from the Canyon Ranch Collection, styled to replicate European Oak for interior flooring installations. It is intended for use in commercial and residential settings where a wood - look composite floor is specified.

Each plank measures 0.521 ft wide by 6.33 ft long, with a box weight of 38.86 lb, allowing installers to calculate material and load requirements for a given project area. The product carries an IP20 ingress rating and is classified as non - waterproof, indicating it is intended for dry interior environments rather than areas subject to standing water or heavy moisture exposure.
