

European Oak WPC Flooring – Bienville, 0.521 ft Wide, 30.92 sq ft/Box

- Wood Polymer Composite (WPC) construction for dimensional stability
- Bienville finish in the English Forest Collection
- Plank width of 0.521 ft and length of 6.33 ft
- Box weight of 30.92 lb with 30.92 sq ft coverage per box
- IP20 rated, classified as Non-Waterproof for interior use

OVERVIEW

The Bienville is part of the English Forest Collection, a European Oak-profile Wood Polymer Composite (WPC) flooring product. WPC construction combines a rigid composite core with a wood-look wear layer, suitable for commercial and light-industrial interior flooring applications where dimensional stability is a priority.

Each plank measures 0.521 ft in width by 6.33 ft in length, with a box weight of 30.92 lb and coverage of approximately 30.92 sq ft per box, allowing straightforward material takeoff for project estimating. The product carries an IP20 rating and is classified as non-waterproof, indicating suitability for dry interior environments.

SPECIFICATIONS

MECHANICAL

Product Dimensions	0.521×6.33ft
