

English Forest Collection European Oak Frost WPC Flooring, 30.92 sq ft per Box

- Wood Polymer Composite (WPC) construction
- Frost finish for consistent surface appearance
- 30.92 square feet of coverage per box
- Plank length of 6.33 feet, width of 0.521 feet
- Non-waterproof, IP20 environmental rating
- Box weight of 30.92 lb

OVERVIEW

The English Forest Collection European Oak Frost WPC (Wood Polymer Composite) flooring is a surface material suited for interior installation applications. Each box covers 30.92 square feet, simplifying material quantity estimates for project planning.

Constructed from Wood Polymer Composite, this flooring offers the dimensional stability associated with WPC construction. Each plank measures 6.33 feet in length and approximately 0.521 feet in width, with a Frost finish and a non-waterproof, IP20 environmental rating.
