

WPC Plank Flooring, European Oak Hartland Finish, IP20 Rated, 6.33 ft Planks

- Wood Polymer Composite (WPC) core construction
- Hartland finish in the English Forest Collection line
- Plank dimensions of 0.521 ft x 6.33 ft
- IP20 ingress protection rating
- Classified as Non-Waterproof for dry interior use
- Box weight of 30.92 lb

OVERVIEW

The FL-EF-HARTLAND is a Wood Polymer Composite (WPC) plank flooring product from the English Forest Collection, finished in a European Oak Hartland profile. It is intended for interior floor installations where a wood-look surface with a stable composite core is required. Each plank measures 0.521 ft by 6.33 ft, and each box weighs 30.92 lb. The product carries an IP20 ingress protection rating and is classified as non-waterproof, indicating suitability for dry interior conditions rather than areas subject to standing water or heavy moisture exposure.
