

English Forest Collection Square Stairnose Molding, 3.5 in. x 7 ft.

- Square-profile stairnose molding for stair edge transitions
- Width measures 3.5 inches for standard stair coverage
- Length measures 7 feet per piece
- Part of the English Forest flooring accessory collection

OVERVIEW

The English Forest Collection Square Stairnose is a finish molding designed to cap and transition stair step edges, providing a clean, finished appearance where flooring meets a stair nosing. It measures 3.5 inches wide and 7 feet in length, making it suitable for standard stair applications requiring a square-profile edge treatment.
