

European Oak Collection End Cap, 2 in. Wide x 7 ft. Length

- Finishing trim piece for European Oak Collection flooring profiles
- 2 in. width matches collection trim dimensions
- 7 ft. length suitable for standard room transitions
- Conceals exposed flooring ends at walls and doorways

OVERVIEW

The Hermitage European Oak Collection End Cap is a finishing trim component designed to close off exposed ends of European Oak Collection flooring or millwork profiles. It provides a clean, finished appearance at wall terminations, doorways, or other transition points where a raw edge would otherwise be visible.

The end cap measures 2 in. wide and 7 ft. in length, matching the dimensional profile of the Hermitage European Oak Collection for consistent trim-out across a flooring installation.
