

European Oak WPC Flooring, Malbec Finish, 6mm Thick, 0.75 ft x 7 ft Planks

- Wood Polymer Composite (WPC) core construction
- Malbec finish replicating European oak appearance
- 6mm plank thickness for stable interior flooring
- Plank dimensions of 0.75 ft width by 7 ft length
- IP20 rated, non - waterproof environmental classification
- 26 sqft coverage per box for efficient project planning

OVERVIEW

The FL-EO-MALBEC is part of the Hermitage European Oak Collection, a Wood Polymer Composite (WPC) flooring product finished in Malbec. It is suited for interior commercial and residential installations where a European oak appearance is specified.

Each plank measures 0.75 ft in width by 7 ft in length with a 6mm profile, packaged at 26 sqft per box for large-format installation projects. The WPC construction carries an IP20 rating and is classified as non - waterproof, indicating suitability for standard interior conditions rather than wet-area applications.
