OVERVIEW

The European Oak Collection Quarter Round Molding (0.75 in. x 7 ft.) is a trim profile designed to finish flooring installations by covering expansion gaps at wall-to-floor transitions. It is suited for use with hardwood, laminate, and engineered flooring applications where a clean, coordinated edge detail is required. The profile is manufactured in a 0.75 in. width and supplied in 7 ft. lengths, matching the species and finish of the Hermitage European Oak flooring line for a consistent transition detail across a room.
