

European Oak Reducer Strip, 2 in. Wide x 7 ft. Length

- Part of the Hermitage European Oak Collection accessory line
- Reducer profile transitions between flooring surfaces of different heights
- 2 in. width fits standard threshold and doorway applications
- 7 ft. length covers typical door and room opening spans

OVERVIEW

The FL-EO-Reducer is a reducer strip from the Hermitage European Oak Collection, designed to provide a finished transition between flooring surfaces of different heights or materials. At 2 in. wide and 7 ft. in length, it is suited for doorways, room thresholds, and similar transition points where a clean, professional edge is required.
